The past 7 years we had so much fun by playing some easy games and having a fun auction at the end for gifts that we are using the same format for this year's party. Please bring an inexpensive **wrapped gift** (can be white elephant type.) You will receive auction money for each wrapped gift you bring. We will be auctioning these off with the play money that you will receive throughout the evening. No fundraising will be happening - this is strictly a fun night. Invite your employees, customers, neighboring tavern owners and friends to come out and have some holiday fun!
